Summary Senate Bill 1481, P.N. 2301

Prime Sponsor: Senator Erickson

Summary

- Amends the Solid Waste Management Act by restricting the Department from prohibiting the vehicular transportation of leachate discharged from a collection and handling system of a municipal authority or municipal-owned landfill to an offsite facility for the treatment of the leachate.
- Abrogates the transportation of leachate regulation in Title 25 Pa. Code Section 273.273 (a).

Effective Date

- This act shall take effect in 60 days.
