Summary Senate Bill 1114, P.N. 1514

Prime Sponsor: Senator Yaw

Summary

- Amends Act 537, also known as the PA Sewage Facilities Act, to allow for the use of “alternative systems” for planning purposes throughout the Commonwealth.
- Currently, the department only allows for “conventional systems” to be used in site planning and once the lots are created, “alternative systems” may then be installed.

Effective Date

- This act shall take effect in 60 days.
