## **Analysis Amendment A02747 to House Bill 1076, P.N. 1915**

**Offered by: Senator Mensch**

### **Overview**

Requires guardian ad litem to be invited to family conferencing while still enabling private family discussions.

### **Summary**

HB 1076, P.N. 1915 currently requires county children and youth agencies to consult and engage a child's guardian ad litem when preparing for the family conference.

A02747 requires a county children and youth agency to also invite a guardian ad litem to the family conference. Private family discussions, as decided by the family or court if the child is court adjudicated, may still take place without a guardian ad litem present
