

March 19, 2015

Dear Friend:

On **Thursday, May 14, 2015, from 10 a.m. - 12 p.m.**, I am hosting my annual **"Veterans Expo"** for Veterans and their families who reside in the 44th State Senatorial District. All too often, our veterans return to civilian life and are not fully aware of all the local organizations which provide beneficial programs and services. Therefore, the **Veterans Expo** is designed to create awareness of and provide an opportunity for US Veterans and their families to connect with government agencies and organizations like yours—specialists in a wide range of veteran services. The event will take place at the Norco Fire Company Hall: 144 W Schuylkill Rd, Pottstown.

According to our research, your agency or organization provides information and services related to veterans and their families and I encourage you to participate as an exhibitor in this important event. Limited space is available and will be assigned on a first-come, first-served basis. If you are interested in attending, and giving back to the local veteran community we ask that you help make this event a success by registering for this event. Online registration is available at: <http://www.senatorrafferty.com/veterans-expo/>

This is an excellent opportunity for you as a veteran service organization to provide outreach and services to our US veterans without the expense of advertising or registration fees. Participation is at no cost to you and open to all interested non-profit or governmental organizations. **Please note: no sales or solicitations of any kind will be permitted to take place during the exhibit.** If you require additional space or have additional requirements, please indicate such on the registration form. Every effort will be made to accommodate such requests. A confirmation of your registration will be emailed to you. The deadline for registration is **Friday, April 17, 2014**, or earlier if all available space is allocated prior to that date.

If you do not have internet access to register or have any additional questions regarding the event or registration, please do not hesitate to contact Travis Kryder via email at [tkryder@pasen.gov](mailto:tkryder@pasen.gov) or phone at 610-831-8830.

We hope you will consider joining us on May 14!

Sincerely,
