Honorable Tom Wolf
Office of the Governor
508 Main Capitol Building
Harrisburg, PA 17120

Dear Governor Wolf:

I write regarding the ongoing issues with the Sunoco pipeline, and specifically, Sunoco's decision to repurpose an existing 12" pipeline to transmit NGL's is unacceptable.

Sunoco continues to operate with no public messaging and no public input. This 12" line is apparently aged, some 50-80 years, and now is planned for repurposing.

I enclose a sample of the emails received by my office regarding same. The author points out that title 35 gives you the authority to halt the 12" pipeline repurposing project. I agree. Please see my letter to Honorable Gladys Brown of the Public Utility Commission.

I await your reply. Thank you.

Very truly yours,
