

T.J. Rooney  
Testimony on Senate Bill 761  
Senate of Pennsylvania  
State Government Committee  
Tuesday, November 14, 2017

Chairman Folmer and Distinguished Members of the Committee:

In my view, in order for the taxpayers of the Commonwealth of Pennsylvania to realize the maximum potential benefit from the office of Lieutenant Governor, logic dictates the Governor and Lieutenant Governor need to get along.

To that end, I fully support Senate Bill 761.
