## **Summary Senate Bill 946, P.N. 1086**

**Prime Sponsor: Senator Baker**

### **Summary**

- Amends the Pennsylvania Sewage Facilities Act.

### **Analysis**

- Defines:
  - “Community on-lot sewage system” as a system of piping, tanks or other facilities serving two or more lots and collecting, treating and disposing of sewage into a soil absorption area or retaining tank located on one or more of the lots or at another site.
  - “Individual on-lot sewage system” as an individual sewage system which uses a system of piping, tanks or other facilities for collecting, treating and disposing of sewage into a soil absorption area or spray field or by retention in a retaining tank.
- The approval of an official plan, official plan revisions and permits for individual and community on-lot sewage systems under this act satisfies the anti-degradation requirements of the Clean Streams Law and regulations under this act.

### **Effective Date**

- This act shall take effect immediately.
