## **Summary of Amendment #A08549 to Senate Bill 1324**

**Amendment Sponsor: Yaw**

- Provides that the rebuttable presumption shall not apply to fee interests, including, without limitation, deeds and long-term leases for coal and other minerals and oil and gas, including all appurtenant rights, which have been reserved or acquired by a duly recorded conveyance.
- Includes a definition for “Exercise of subsurface rights” to include:
- Further clarifies oil and gas and the production of coal or other minerals under subsurface rights.
