Summary House Bill 2151, P.N. 3046 **Prime Sponsor: Representative Gabler**

Overview

- Amends Title 75 (Vehicles) to create a reduced-cost permit for the limited use of vintage snowmobiles.
- Defines “*vintage snowmobiles*” as a snowmobile that is at least 25 years old and is not operated in this Commonwealth except at *vintage snowmobile events*.
- Defines “*vintage snowmobile event*” as an organized ride or rally for owners and operators of vintage snowmobiles, for which a permit has been issued under section 7718(a) (relating to vintage snowmobile permits) and carried and exhibited in compliance with section 7718(b) and which meets all of the following conditions:
 - (1) It is open to the public and publicized as such.
 - (2) It takes place on a specified date or dates and within a specified start and end time.
 - (3) It takes place on a designated trail with a specified beginning and end point.
- Authorizes DCNR to issue \$20 permits for “vintage snowmobiles”
- Once the permit is issued, the owner of the vintage snowmobile is exempt from registration and insurance requirements.
- The permit must be exhibited on demand, is only valid for the person to whom it is issued, and is not transferable.

Effective Date

- Take effect in 60 days.
