

## **COMMITTEE AMENDMENT ANALYSIS**

**Bill:** House Bill 80

**Printer's No.:** 2066

**Amendment No.:** A07954

**Prepared by:** Gregg Warner

**Summary:** This amendment adds entering a place for the unlawful taking of secondary metal to section 3503 of the Crimes Code so that it becomes part of the definition of simple trespass. The offense is a misdemeanor of the first degree. The House of Representatives added the same language to Senate Bill 688 to make sure that the unlawful taking of secondary metal from the premises is included in the criminal trespass statute.
