

SENATE BILL 802
PRINTER'S NO. 842

AMENDMENT A01296
SPONSOR: Sen. Gordner

The amendment is technical in nature with two exceptions.

The amendment clarifies that commissioned private inspectors may either inspect uninsured boilers and vessels or insured boilers and vessels pursuant to a contract with the insurer.

The amendment further reduces the proposed penalty for violations of the law from \$5,000 to \$2,500. Current law provides for penalties of \$500 for the first offense and \$1,000 for second and subsequent offenses.
