## Summary SB 326 PN 325

Senate Bill 326 amends the Vital Statistics Law to direct the Department of Health to issue a certificate of birth resulting in stillbirth at the request of a mother or father for any fetal death previously filed with the department.

The certificate shall include:

- Name of the stillborn child
- Date of delivery
- County of delivery
- Mother's name and birthplace
- Father's name and birthplace
- The statement: "This certificate is not proof of live birth."

The fee for a certificate of birth resulting in stillbirth shall be the same as a death certificate.

### **Effective Date**

This act shall take effect in 60 days.

### **Amendment A01707**

To avoid confusion with local registrar fees, the amendment clarifies the fee for issuance of the certificate is the same as for a death certificate issued by the department.
