The Honorable Bob Casey
United States Senator
393 Russell Senate Office Building

Senators Toomey and Casey:

We, the undersigned members of the Senate of Pennsylvania, are writing to express our enthusiastic and sincere endorsement of Judge Neil Gorsuch, who we believe would be an exemplary Associate Justice of the United States Supreme Court.

Judge Gorsuch's credentials for this office are unparalleled and beyond dispute. His superior academic pedigree and distinguished record of service make him a qualified candidate for the nation's high court.

His reputation as a brilliant, principled, and fair-minded jurist make him a candidate worthy of your confirmation.

In the words of Judge Gorsuch himself, "the United States Senate [is] the greatest deliberative body in the world, and I respect the important role the Constitution affords it in the confirmation of our judges."

Accordingly, we urge the Senate to consider and vote upon the nomination of Judge Gorsuch posthaste.

We are united in our belief that he would serve our country with honor and distinction, and wholeheartedly recommend that he be confirmed as an Associate Justice of the United States Supreme Court.

Respectfully,
