75	Stephen D Hess	M.D., Ph.D.	I am a board-certified Dermatologist. I also hold a doctorate in Immunology	Pennsylvania	
76	Anthony Buglione RPh	Registered Pharmacist in New York State. License #30101	Practicing pharmacist in New York State. Now living in Pennsylvania as a consultant to the pharmaceutical industry.	Pennsylvania	I have serious concerns about the implications of this pipeline. Of particular concern are the numerous breaches of the pipeline in recent years. The proximity of this pipeline to hundreds (perhaps thousands) of residences must be seriously vetted to insure the safety of the public.
77	Mark Brigham	MD	Orthopedic surgeon	Pennsylvania	
78	Bernard Greenberg MD	MD	Formerly Professor of Medicine University of Connecticut Health Center and American Cancer Society Professor of Clinical Oncology	Pennsylvania	The risks to the health of our citizens and our environment are so great without any commensurate benefit that we should not permit this pipeline to be built. We must take a stand now.
79	David Mark Pollack	MD	Brown University BA Columbia University MD Senior Physician, CHOP Care Delaware County Assistant Professor of Pediatrics, UPenn	Pennsylvania	As a Pediatrician, I am especially concerned about its impact on children along that corridor.
80	Deborah Buglione	Registered Nurse Certified School Nurse Master degree in school health	Hospital nurse for 10 years Visiting nurse School nurse	Pennsylvania	I'm deeply concerned as a healthcare professional that this pipeline will impact my health and well being.
81	Joel Fein	MD, MPH	Pediatric Emergency Medicine	Pennsylvania	
82	Poune Saberi	MD,MPH	Physician in Occupational and Environmental Medicine	Pennsylvania	Pipelines destroy the environment and contribute to climate disruption.
83	Morgan fulmer	BSN, RN		Pennsylvania	
84	Kelly beck	RTT	Radiography and radiation therapy	Pennsylvania
